

VEHICULAR NOISE ORDINANCE

The City of Lanesboro does hereby ordain:

Subd. 1. General Prohibition. No person shall make or cause to be made any distinctly and loudly audible noise through the use of a vehicle that unreasonably annoys, disturbs, injures or endangers the comfort, repose, health, peace, safety or welfare of any person or precludes their enjoyment of property or affects their property's value. This general prohibition is not limited by the specific restriction of the following subdivisions.

Subd. 2. Dynamic Engine Brakes. No dynamic engine brake shall be used within the limits of the city.

Subd. 3. Exhaust. No person shall discharge the exhaust or permit the discharge of the exhaust of any engine without passing through a muffler or explosive noises therefrom and complies with all applicable state laws and regulations.

Subd. 4. Stationary Engine Noise. No person shall allow a stationary engine to run continuously for a period of time that is objectionable as outlined in Subdivision 1. This would include truck engines and auxiliary engines.

Passed by the City Council this _____ day of _____, 2005.
